Dear Ilona,

Re: Outcomes of Statutory Assessment in 2025

We are writing to you regarding the outcomes of statutory assessment in 2025 which are worthy of recognition and celebration.

We are very pleased to see improved attainment at the end of Key Stage 2 which is now well above the national average.

Attainment at the expected standard in Reading, Maths and GPaS all improved by at least 10% leading to Reading, Writing and Maths combined improving by 21% to 78%; 16% above the national average. This outcome means that a high proportion of pupils leave Oakdale Primary School well prepared for the next stage of their education.

We also acknowledge that at the end of Early Years, the proportion of pupils achieving GLD has improved by 11% and is now in line with the national average. This is pleasing to see.

The outcomes in 2025 provide further evidence of the quality of pupils' learning and progress in the school and the effectiveness of leadership and management in maintaining improvement. We know the improvements referred to in this letter reflect the ongoing hard work of pupils, teachers, support staff, those with leadership roles in school and the governing body, so please do pass on our congratulations to them all.

We wish you every success for this academic year.

Yours sincerely,
