## CHARGING AND REMISSIONS POLICY

Status	Guidance
Date approved	May 2026

We recognise the valuable contribution that the wide range of additional activities, including trips, clubs and residential experiences can make towards pupils' education.

We aim to promote and provide such activities as part of a broad and balanced curriculum for the pupils of the school and as additional optional activities. We believe that all our pupils should have an equal opportunity to benefit from school activities and visits (curricular and extra-curricular) independent of their parents'/carers' financial means. This policy describes how we will do our best to ensure a good range of visits and activities is offered and, at the same time, try to minimise the financial barriers which may prevent some pupils taking full advantage of the opportunities
