Dear Parent(s)/Carer(s)

Aldi are taking a really active role in developing sport and promoting the idea of leading healthy lifestyles. They have sponsored Team GB athletics for a few years now and are keen to impact younger children's lives. With this in mind, they have created a scheme where schools can get free kits to use in school.

We would ask you please to collect stickers when shopping at Aldi when spending £30 or more. As we have a few Aldi stores across the city, we thought this would be a great opportunity for us to increase the amount of resources we have in school in quite an easy way.

If you do your 'big shop' at Aldi please remember to ask for the stickers and have your child bring them into school and we will see if we can collect the 300 needed for the sports kit. If you know of anyone else who shops at Aldi but doesn't have children, then they could collect the stickers and send them into school via your child – maybe neighbours or other family members.

We hope you can help with this initiative as the more resources we have in the school, the more the children will be able to use them, be active and have fun!

Yours sincerely

Mr A Stubbs
(PE and School Sport Lead)
