16<sup>th</sup> April 2020

Dear Parent(s)/(Carer(s))

Following the Government update on the continued closure of schools, we have reviewed our home learning opportunities to reflect the curriculum due to be taught in the summer term. Whilst we acknowledge that learning at home is very different, we want you to remain informed about intended learning that could be researched at home. We have created fortnightly homework menus consisting of daily tasks and topic based project learning. These will be added to the website and can be found in 'Helping your child at home': <https://www.oakdale.peterborough.sch.uk/page/?title=Helping+Your+Child+at+Home+and+Homework&pid=60>

In each year group folder, you will find a topic overview for each year group. This can be used for independent research. BBC Live Lessons are due to start on Monday 20<sup>th</sup> April and are well worth watching. We will also continue to add further learning opportunities to Twitter and the Government has produced their own home learning advice: <https://www.gov.uk/government/publications/coronavirus-covid-19-online-education-resources/coronavirus-covid-19-list-of-online-education-resources-for-home-education>

If support or further advice is required, teachers are available via the school office email.

Stay safe and well.

Yours sincerely

Mrs K Britton  
Deputy Headteacher
