

Oakdale Primary School

9th September 2020

Dear Parent(s)/Carer(s)

Thank you for your patience in waiting for the final round of information from us before your children start next week.

The log-in details for ParentPay were sent out yesterday. School lunches can be booked via ParentPay before the 14th September. We are here to help should you have any issues. Please do not hesitate to contact the office by phone or email.

We have been reviewing movement around the site since Monday when our children in other year groups have started to return. We are now able to finalise timings and locations of drop off and pick up for you and your child.

A map of the site is attached as many of you will not be familiar with the grounds. Mrs Britton (Deputy Head) and myself will be outside at the start and end of the day to help direct you to the right entrance.

All drop off and pick up will take place in the Reception outdoor area which can be accessed via the first green gate on site. Teachers will be posting videos on Tapestry to help you find your way.

Groups will be split as detailed below for the first two weeks, then children will come in full time from the 28th September.

	Monday 14th September	Tuesday 15th September	Wednesday 16th September	Thursday 17th September	Friday 18th September

When waiting in the outdoor area, please use lines to socially distance and keep children with you while you wait. Teachers will call children into class individually. Due to Covid restrictions, parents are not able to come into classes with their children. We hope the tapestry videos help your child to prepare for this big step. Further useful information will follow on Thursday including details of what to bring on the first day, how the school is organised to support social distancing and how we

can be contacted. There will also be details of a final video for parents on Tapestry which will be available to view on Friday.

I look forward to seeing you all next week.

Ms I Wrigley - Headteacher
