School Priorities

School priorities **Do you think these priorities are reflected in what you see in school?**

Feedback

A small selection of some of the comments made..

I feel so comfortable knowing that my child's safety and wellbeing are taken care of and the standard of education is excellent.

The school puts on a variety of activities for the children both at lunchtime and afterschool. I feel this brings on their confidence.

I can express my concerns or praises and anything is looked at

There is a clear drive for continuous improvement and a positive attitude from staff

Constant improvements...feedback is taken on board

It has a friendly and family feel/environment to it and my children are happy here

The staff are lovely and welcoming

Range of visitors, curriculum and opportunities for extra curricular activities

It has a friendly and family feel/environment to it and my children are happy here

Perfect size school, friendly atmosphere, some exceptional teachers!

Caring and nurturing: personal

Due to the small numbers of students, my children have thrived under the support of all the staff. It is a community built on respect, warmth and developing my children holistically

Community feel of the school. Everyone knows everyone and there is a good sense of support and communication. Happy children

Plenty of school trips, dress up days and topic based activities which makes learning more fun

In response to your suggestions for improvement we have:

- Worked with the school council to vary the behaviour letters sent home each term and added an extra award: if a pupil has received a letter home every half term they will receive a badge to wear to school to acknowledge their consistently good behaviour and attitude to learning.
- Planned a new residential for Years 3 and 4 to vary the opportunities residential trips at Oakdale offer and extend this opportunity to more children
- Endeavour to send out our annual calendar in July so you are aware of key dates prior to returning to school in September
- Plans to review our current school meals provider to ensure suitable quality and quantity of food is provided at lunchtime. This will be in conjunction with improvements to the lunchtime arrangements in order to achieve the 'Food for Life' award.
